

ABOUT THE CHARITY

Candlelighters of Southwest Florida Inc

The independent charity (501c3) was established over twenty-five years ago and continues to be a primary provider of essential programs and services required by families of children with cancer & blood disorders.

Candlelighters understands parents of children with cancer are often young, have a limited income and they have other children. This is why we provide all services at no cost to the family.

Candlelighters' children enjoyed The Florida Air Show

Candlelighters must raise its own funds to fulfill our mission. There are no funds from federal, state, or local government nor do we receive financial support from any of the national health organizations. We rely on the generosity of those we touch with our message.
